

8/4/76

sent handwritten reply, saying RFK autopsy report
not in press, so far as I know. Believe Wecht has
some knowledge of the findings but he may not
be free share it.

Re HBT deleted names - some reporters tried
ascertain from Kroule & CBC but being treated
as paper - top-secret as HBT not man &
be crossed lightly.

If I learn ++ on either of these
matters, will surely let him know.
