Dear Sylvia:

The negative of CD 371 and Mr. Eckhoff's accompanying letter of October 28 both arrived this morning. I am staggered with the speed of this response to your request. At least two months are required for any answer to my simplest request. I am sure they make multiple copies of my correspondence and probably have a committee meeting before answering any of my letters.

You may be interested in the enclosed copy of the article by Mr. Arthur Whitman entitled "A Mini - Factory For Super Cars" from the October 25 issue of The Kansas City Star and my letter of October 26 to Hess and Eisenhardt. I will send you a copy of their reply.

Sincerely,

John Nichols
