Re: Assassination car of the  
late John F. Kennedy

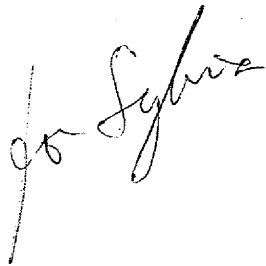

Dear Sir:

You may recall our previous correspondence on this general subject.

Most recently I asked the Hess and Eisenhardt Company of Cincinnati, Ohio whether or not the passenger and driver's compartments of this vehicle were separated by armor plate. In reply they advised that I should direct the question to you.

I do hope that you will be able to answer this for me.

Sincerely,

A handwritten signature in cursive script, appearing to read "John Nichols".

John Nichols, M.D.
