Set forth hereafter is the text of a signed statement obtained from VADA OSWALD at Denton, Texas:

"Denton, Texas  
March 15, 1964

"I, Vada Oswald, make the following statement to Bardwell D. Odum and R. Neil Quigley who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I have never heard anything from Marina Oswald or Jim Martin, her former business manager, or from anyone else, except my husband, concerning a threat by Lee Harvey Oswald to shoot Richard Nixon, former Vice-President of the United States.

"The only thing I have heard was from my husband, Robert L. Oswald, who told me that both Jim Martin and Marina Oswald had told him that when Richard Nixon was in Dallas (and I don't know when this was) Lee Harvey Oswald had told Marina that he intended to shoot Nixon, and that Marina had locked him in the bathroom and kept him there all day. Jim Martin got this from Marina, and later Marina told my husband, Robert, but Marina did not discuss this with me. Robert told me about this incident sometime the latter part of January, 1964.

"I have read this handwritten statement consisting of this and one previous page and it is true and correct to the best of knowledge I have placed my initial by each correction and at the top of each page.
