Dear Miss Meagher:

Thank you for your thoughtful comments on our recent
YOUR RIGHT TO SAY IT program, The Warren Commission:
A Defense, featuring Mr. Albert Jenner.

We wish more of our viewers would take as much interest
and concern, giving real thought to issues discussed on
our programs. It is our hope that, by continuing to
support the Voltaire statement from which we take our
title, "I disapprove of what you say, but I will defend to
the death your right to say it," we can stimulate the aud-
ience to look further into the subject.

We trust that the thinking public, like yourself, will
continue to support such programs as YOUR RIGHT TO SAY IT
through regular viewing, and by forwarding comments, pro
or con, whenever the shows warrant this.

Thank you again for your interest.

Yours sincerely,

Robert W. Thomas
