

Bill O'Connell

Monday 6:45 pm 2/11/68

Upset when read Ray's letter ~~and~~
thought it really unconscionable.

Was meeting 2/3/68 at UCLA
of "new group" Ray
appeared, tried break it up
"I question your motives"
Thinks Freed (?) is CIA

Bill has had "last conversation"
w/ Letha, who said
"my last chance to save
myself, my name & honour"
would be to reply to Ray's
letter. If she has any
decency left, she'll have to reply..."

Lester is in complete agreement
w/ Ray on plagiarism & CIA.

Harold Weising, called Bill
last night, is sending me
tapes HW last night &
Beloved Hostess, tonight

HW complains Ray won't talk to him
tho he did everything instructed
him to do re Thompson

Trent Gough called HW while in
LA. HW is "such a liar"
WJK agreed to (another) debate
w/ HW because honorarium was
involved - WJK does anything
for \$, HW settled for air fare
(High School group) in end.

Cancelled for no \$
HW then said WJK afraid face him

HW said he now felt Ndrko trial
 may be reversed due to
 Mark Lane's capture in
 Moscow in April 1967 - seen at
 the evidence. HW confirmed
 DA's office feared death
 of Lane, not knowing which
 way he will jump -
 HW says I developed Wm.
 Walter, merely affixed ML's
 signature.

Taped HW interview, cannot use
 for foul language, I was
 the only one who didn't get
 blasted, he even paid me a
 compliment.
