

The following investigation was conducted by SA ROBLEY D. MADLAND:

On November 23, 1963, H. L. CONWAY, of the ~~Leslie~~ Welding Company, Fort Worth, Texas, advised LEE HARVEY OSWALD was employed there from July 17, 1962, to October 8, 1962. OSWALD furnished his address as 1501 Seventh Street, Fort Worth, Texas, telephone number PE 2-3245.

On November 27, 1963, Mrs. ROBERT (CHRISTINE) YARBRO, Manager of Rotary Apartments, 1501 West Seventh Street, Fort Worth, advised that she has been the manager of these apartments since October 9, 1963. She said further that the prior managers were Mr. and Mrs. L. R. HUFFMAN, who presently reside at 1516 South Harris, San Angelo, Texas.

Mrs. YARBRO said that all records prior to October 9, 1963, of persons residing at the Rotary apparently were taken by the HUFFMANS as she has no records concerning the operation of this apartment prior to October 9, 1963.

Mrs. YARBRO said that telephone number Edison 5-0755 is a pay telephone located in the basement of this apartment house and is located near the Seventh Street entrance. She said that she understands that this telephone has been installed in this apartment for several years.

Mrs. YARBRO said that she does not know a LEE HARVEY OSWALD and never saw or heard of this person prior to seeing him on television during the past week concerning the assassination of President JOHN F. KENNEDY.

The following investigation was conducted by SA EDWIN C. DORRIS at San Angelo, Texas:

On December 3, 1963, Mr. and Mrs. L. R. HUFFMAN, 1516 South Harrison Street, advised they formerly managed the ~~Rotary Apartments, Fort Worth, Texas.~~ They both recalled Mrs. OSWALD, mother of LEE HARVEY OSWALD. They had no records to furnish dates from but recalled that probably in early fall

of 1962, Mrs. OSWALD moved into Apartment 101. She was a nurse, seemed to work regularly, and was gone most of the time. When she had been in this apartment about three weeks, she contacted the HUFFMANS and told of her son, his wife, and their small child and the fact the boy was out of work. She asked for permission permitting the son and his family to move into the apartment with her on a temporary basis. HUFFMAN told Mrs. OSWALD it would be all right and OSWALD, his Russian wife, and small baby moved in, perhaps in October or November, 1962.

HUFFMAN states he only saw OSWALD at a distance and never talked with him. He did recall that OSWALD reportedly secured a job at a tin shop which was located back of Montgomery Ward in Fort Worth, and as soon as he got a pay check, he, his wife and baby moved out. The HUFFMANS saw the wife once or twice, but their conversations were strictly limited as she could speak but little English. The elder Mrs. OSWALD then moved, stating she had a patient who desired Mrs. OSWALD live in the house of such patient. Probably a month or so later, Mrs. OSWALD, the mother, returned and rented a cheaper apartment numbered 301. She was there on this occasion about one month and moved when she stated she had to find a cheaper place, and they did not have a room for rent. HUFFMAN believed that LEE OSWALD moved some place on Fifth Street and near the new "Bone Clinic," but he did not know the address. Mrs. OSWALD, the mother, returned once afterwards and inquired for any mail, this being about January, 1963, but there was none and they have not seen her since. They did not see LEE OSWALD after he moved from his mother's apartment, and they knew nothing of his friends, associates, or otherwise.
