On December 4, 1963, Confidential Informant Dallas T-10 examined his official records and advised that a registration listing of an application for employment with this division was filed on August 16, 1963 by Miss CHARLENE STOUFF, 2056 Brutus Street, New Orleans, Louisiana, for the purpose of taking a typing test requested by the New Orleans School Board. He stated the records further revealed that this test was administered by Mrs. MARY MELVILLE, Test Administrator with this division. Dallas T-10 stated that the official records searched for the above information consisted of registration listings for applications for employment within the three employment services of industry, service, and commercial with this division and added that a thorough search was made through this indexing system with negative results in an effort to locate a listing for one CHARLES HALL STEELE, JR.

On December 4, 1963, Confidential Informant Dallas T-9 checked her official records and advised that a check of her office attendance record for August 16, 1963, revealed that the only clerical staff employee who worked as receptionist on that date was Mrs. MARGARET P. HONER.
