

Mr. JAMES BYRON, Chief of the News Room at WBAP-TV, 2900 Barnett, stated immediately after President KENNEDY's assassination on Friday, November 22, 1963, the networks (ABC, CBS and NBC) took over the operation of the two Dallas TV stations (KRLD-TV and WFAA-TV) and the Ft. Worth Station (WBAP-TV). He stated he had no idea when the first picture of LEE HARVEY OSWALD was shown on his station or the two Dallas stations and he didn't believe anyone at the headquarters of the three networks (ABC, CBS, and NBC) in New York City would have any such record. He stated he had no idea as to the source of any pictures shown of LEE HARVEY OSWALD. He explained that because of the President's visit to Dallas, all of the networks and news media were already well represented in Dallas. After the assassination, all of the motion pictures and still shots were fed into the headquarters of the TV networks in New York City and there they picked out the pictures to show on TV.
