

Date 5/12/64

At 12:00 noon, Mrs. MARGUERITE OSWALD telephonically contacted the Fort Worth Resident Agency and furnished the following information:

At about 11:45 A.M., May 12, 1964, she received a telephone call from Mr. CHARLIE KUNKEL, U. S. Secret Service, Fort Worth, Texas. In this conversation, Mr. KUNKEL stated he had a letter that he obtained from the FBI. The letter was dated December 6, 1963, postmarked Jamaica, New York. Mr. KUNKEL advised Mrs. OSWALD he would like to come out to her residence and ask her some questions about the letter.

Mrs. OSWALD does not remember this letter and cannot imagine why he would want to talk to her in regard to this letter.

During the course of the conversation Mrs. OSWALD asked how to spell the name KUNKEL. When she was advised it is spelled K-u-n-k-e-l, she said she thought it was spelled C-o-n-n-e-l-l. She said she remembered him and at this point she became hysterical and went into a tirade. She said she remembered him at the Inn of the Six Flags on the day of the assassination of President JOHN F. KENNEDY. She continued that KUNKEL and another Secret Service Agent, whose name she cannot remember, were with MARINA OSWALD and the two babies. Mrs. OSWALD stated that KUNKEL made the statement that there was no doubt in his mind that LEE HARVEY OSWALD assassinated the President because his rifle was found on him. Mrs. OSWALD related that she told him, "Well, just because it's his rifle does not indicate that he assassinated the President. He is innocent until proved guilty."

Mrs. OSWALD referred to MARINA OSWALD throughout the conversation as the Russian wife and two babies.

Mrs. OSWALD said she told the other Secret Service Agent, "Why, the nerve of that guy, who does he think he is?" The Secret Service Agent, according to Mrs. OSWALD, stated,

"Well, Mrs. OSWALD, you will have to forgive him because he helped guard Mrs. KENNEDY for 20 years." Mrs. OSWALD said she told the Secret Service Agent, "I will not forgive him because there's no sense in anyone making a statement like that about my son."

Mrs. OSWALD said she was "deathly afraid" of Mr. KUNKEL and is afraid that he will harm her. Mrs. OSWALD said she will not let him in her house because she is afraid of him and does not want to have any dealings with him.

Mrs. OSWALD was advised that Mr. KUNKEL would have no reason to harm her, that he is probably just coming out to her house to inquire about the letter.

At no time during the conversation did Mrs. OSWALD request any assistance from the FBI or to see an FBI Agent.
