Marina Is Expecting

Dallas, June 21 (AP)—The widow of Lee Harvey Oswald, named by the Warren Commission as the assassin of President Kennedy, is expecting her third child.

The former Marina Oswald, 24, and Kenneth J. Porter, 28, were married June 1, 1965, approximately 18 months after Kennedy was assassinated in Dallas and Oswald, while in police custody, was shot to death by nightclub operator Jack Ruby.

Oswald left two children, June, now 5, and Rachel, now 2.

Porter has two children by a previous marriage. They live with his former wife.

Porter said yesterday he has quit his job at an electronics firm and that the couple's home is for sale or lease. He said they had no definite plans but had considered moving to Greenville, 60 miles northeast of Dallas, where he has relatives.
