Marina Is Expecting Third Child

DALLAS, TEX. (AP)—The former wife of Lee Harvey Oswald, named by the Warren commission as the assassin of President John F. Kennedy, is expecting her third child.

The former Marina Oswald, 24, and Kenneth J. Porter, 28, were married June 1, 1965, in the tiny North Texas farming community of Fate.

Their marriage took place approximately 18 months after President Kennedy was assassinated in Dallas and Oswald, while in police custody was shot to death by Jack Ruby, night club operator.

Oswald left two children, June, now 5, and Rachel, now 2.

Porter has two children by a previous marriage but they live with his former wife.

Porter said he has quit his job at an electronics firm and that the couple's fashionable brick home is for sale or lease. He said they had no definite plans but had considered moving to Greenville, 60 miles northeast of Dallas, where he has relatives.
