Oswald's Widow Moves

Greenville, Tex.

The widow of Lee Harvey Oswald has moved into a new house here.

Tuesday was moving day for the Kenneth Jess Porters,

and they told Dallas newsmen they were happy to leave the town where, the Warren Commission says, Mrs. Porter's former husband shot and killed Presi-

dent John F. Kennedy and policeman J. D. Tippit.

"How would you like living in a glass house for all the world to see?" Marina Oswald Porter asked as she left

Dallas.

A few hours later, she was in Greenville, population 21,000, about 50 miles northeast of Dallas.

Marina had three children—two by Oswald and an infant born July 3.
