PAULA ASHEY, 2423 West Fifth Street, advised she and her sister PAULETTE, have been babysitters for Mrs. RUTH PAINE, 2515 West Street, from 1961 until the early part of 1963. She stated she babysat for Mrs. PAINE until such time Mrs. PAINE took a Russian woman into her home who was pregnant and was going to have a baby. She advised that during the time she babysat for the PAINES, she took care of their two children. She advised she observed numerous Russian booklets, pamphlets and other literature in the PAINES' home, some of which she believed had to do with Communism. She advised that Mrs. PAINE was studying the Russian language which might account for the Russian material. She stated the PAINES had two tape recorders in their home and would at times take them to square dances. She stated on several occasions the PAINES told her they were going to a meeting but would not say where and would not leave a telephone number through which they could be reached in the event of trouble with their children. She stated they also had a radio on top of their TV which she thought had a short wave band on it. She stated it had ear phones and believed it was only a receiver. She stated she did not know the OSWALDs and had never met them. She stated she could furnish no information concerning LEE HARVEY or MARINA OSWALD.
