4. Lee OSWALD: It has been determined that Oswald, the ex-Marine, is still an American citizen; both he and his Soviet wife now have exit permits, and the Department has given approval for their travel with their infant child to the U.S.A. There is a problem with his wife, however, in that SOV in the Department is trying to get a waiver of 243G, which requires that Oswald's wife pick up her visa for entry into the U.S.A. in Western Europe. As soon as this question has been settled, they will be free to travel. "
