ROY EUGENE VAUGHN furnished the following voluntary information, after being advised of the identity of WARREN A. IARSON and RAYMOND M. LESTER, JR. as Special Agents of the Federal Bureau of Investigation. He was advised that no threats, promises or duress would be used to induce him to furnish any statement. He was also advised that any information he furnished could be later used in a court of law against him, and of his right to an attorney.

VAUGHN, 3231 Loganwood Drive, Dallas, advised he is a patrolman with Dallas Police Department in the Patrol Division. VAUGHN advised that on November 24, 1963, he was riding in Dallas Police Department car number 105 in a routine patrol duty. At approximately 9:00 AM, he received a radio call from the dispatcher to immediately call the station, extension 511, which is the Patrol Office. He immediately called as ordered and was instructed by the dispatcher to return to the station, park his patrol car on the street and report to the Patrol Office. Upon his arrival at the Patrol Office, several other officers were also waiting there. They had a cup of coffee together and approximately five minutes after his arrival, LT. R. E. He advised he does not know the exact assignment given to the other officers but that he was told to report to Sergeant P. T. He advised he was not told what was going to happen but suspected it was in connection with the transfer of LEE HARVEY OSWALD from the Dallas City Jail to the Dallas County Jail, as he had heard this was to take place. He immediately reported to Sergeant DEAN and to SERGEANT J. A. PUTNAM, who was also in the basement. At this time there was a considerable amount of television equipment and several people both police and persons dressed in civilian clothing in the basement of the Police Department Building. He advised that Sergeant PUTNAM instructed him to go to the top of the ramp at the Main Street entrance which would be on the north side of the building. His instructions were to admit no person except the press and police officers and that no one without a press pass or official police credentials was to be admitted under any circumstances.
