Dear Miss Meagher:

Some time ago you wrote to me, sending me a synopsis of your analysis of the Report of the Warren Commission.

I have been busy with other work, and have not felt that I was justified in asking you for a copy of the complete 40-page article. I must tell you, however, that I am very much interested in this subject (although I have been devoting my time to other studies), and in case that you have published anything about the assassination of President Kennedy, or have a copy of your analysis still available, I would be glad to have it.

With best wishes, I am,

Sincerely yours,

mjh
