

11 December 1965

Dr Linus Pauling
Center for the Study of
Democratic Institutions
Box 4068
Santa Barbara, California 93103

Dear Dr Pauling,

Please refer to the third paragraph of my letter of 7 December 1965, in which I mentioned a series of letters I had sent without receiving any satisfactory replies. It occurs to me that those letters may be of some interest, since they indicate several additional areas in which the Warren Report is misleading. I am therefore enclosing copies of the unanswered letters, which need not be returned.

Respectfully yours,

Sylvia Meagher
