Dear Sylvia--

I just called Paul Hoch
after talking to you, and he will
send your indexes to me.

I'm enclosing the two Moore
displays -- #2 and #5, along
with an exchange of correspon-
dence with Fithian.

Love,
Ray

(and from Letha
too!)

P.S. -- How do you evaluate
the above (displays)?

-- My own feeling -- still - certainty on #5
-- and probably #2...
