Mr. CHARLES W. GREENER advised he is the owner of the Irving Sport Shop located at 221 East Irving Boulevard, Irving, Texas, where his telephone number is BL 3-5369.

He furnished Repair Tag No. 18374, which is not dated. It reflects the name of the owner as "OSWALD." No address is shown and under repairs it lists "Drill and Tap - \$4.50." The next line reflects "Bore Sight - \$1.50. Total \$6.00." No other information is reflected on this tag. Mr. GREENER requested that it be returned to him when the necessary examinations are completed. He said the order on this tag was written by DIAL P. RYDER and the order was paid upon delivery. He noted that the claim check part of this tag had never been removed from it, but was unable to explain any reason for its not being removed.

Mr. GREENER said he is unable to recall handling this order and believed he was in South Dakota on a hunt during the period October 31, 1963 through November 12 or 13, 1963. He advised that Mr. RYDER would be available for interview if necessary.

Mr. GREENER advised the Irving Furniture Company, now defunct, was formerly located one block west of his store on the north side of Irving Boulevard. He said it was operated by Mrs. EDITH WHITWORTH, who has closed the business. He said EDITH's husband, (FNU) WHITWORTH, is currently employed at Red's Trading Post, which is located about fifteen blocks east of the Irving Sport Shop on Irving Boulevard.
