Captain CHARLES E. TALBERT, Dallas, Texas, Police Department, advised that he is the Platoon Commander for Platoon No. 2 and that his records reflect that on November 22, 1963, his platoon was on the day schedule from 7:00 AM to 3:00 PM. TALBERT advised that, following the assassination of President JOHN F. KENNEDY at approximately 12:30 PM on that day, he took personal charge of all assignments of his platoon and all officers were told to report to him at the Texas School Book Depository, where he was making the individual assignments.

Captain TALBERT advised that, from a review of the Daily Detail Sheets reflecting district and car assignments of each officer on duty that day and comparing same with transcript from the dispatcher's records on that afternoon following the assassination of the President, he has been able to ascertain, with a reasonable degree of certainty, the area and assignments of each officer under his command. He advised that units from his platoon were the only marked and numbered squad cars in operation that afternoon, with the exception of three or four units, which had been specifically assigned to assist the Traffic Division in protection of the President.

Captain TALBERT advised the following officers were on special assignment to the Traffic Division to aid in the protection of the President:
