Dear Mr. Salisbury,

I am writing to you in the hope that you can supply me with some information about the New York Times' investigation of the John Kennedy assassination. It is my understanding that you headed the team that conducted that investigation.

I am researching recent American political assassinations, and this Times project is of interest to me. I would appreciate it if you could supply me with the following information:

- 1) When did the investigation begin, and when was it terminated?
- 2) What were the findings of the investigation?
- 3) Why were the findings never published?

Thank-you in advance for your help.

Sincerely,

  
Jerry Policoff
