Dear Mr. Laurence:

I have written what I consider a rather extensively documented article dealing with New York Times manipulation of news and literature on the subject of the assassinations of President John Kennedy; Dr. Martin Luther King, Jr.; and Senator Robert Kennedy. I feel that it is the type of piece that might interest Playboy magazine.

Sylvia Meagher suggested that I send the enclosed manuscript to your attention.

I look forward to hearing from you.

Sincerely,

Jerry Policoff
