CONGRESSMAN GONZALEZ "VERY DISSATISFIED" WITH HOUSE ASSASSINATION  
JFK PROBE WILL READ GARRISON'S NEW BOOK RE CIA COMPLICITY IN JFK  
MURDER EVIDENCE HE SAYS HE MAY ADDRESS CONGRESS ON GARRISON'S  
EVIDENCE INVOLVING CIA

During a phone conversation I had with Congressman Henry Gonzalez for about 45 minutes he confided to me that he was and remains "very dissatisfied with the conclusions reached by the House Select Committee on Assassinations"....

HG : There's no question in my mind that both the CIA and FBI were very very apprehensive about whatever the Committee was headed into.

TG : Were you satisfied with their conclusions?

HG : Absolutely not! They're contradictory. How can you say in a report that you reached the conclusion that it was a conspiracy.... that means there were more than one .. and then say that this is something that the FBI and other executive branch agencies ..... appropriate executive branch agencies should investigate but haven't done .... that's one of the recommendations of Blakey (chief counsel) Committee. Their finding was conclusive that it was a conspiracy. You know this is contradictory. You don't come out and say 'I think it was a conspiracy' without saying 'I think so-and-so and so-and-so was involved!.....

TG : Like the CIA

HG : Why sure! Or rogue elements of the CIA ....

TG : You believe that?

HG : Yes.

TG : Well, I know it from Mr Garrison.

HG : Is that right? ....

TG : If Mr Garrison presented you with definite evidence of CIA complicity to kill the President .... would you act upon that now?

HG : I would raise the issue, yes.....

TG : Before Congress?

HG : Absolutely, I mean, you know, where else could I report it?

TG : .... I would like to write Jim and , uh, have him forward that evidence he has put together in a book to you .... if you are convinced of his allegations and evidence that you will bring them up on the floor of the House?

HG : I certainly WILL! ... the conclusions of the Committee are just absolutely contradictory to me, and unacceptable ....

TG : Unacceptable.

HG : Unacceptable.... I prefer to think in this surmise that CIA involvement perhaps involved rogue elements even though the CIA has been out of control all along and still is ....

Can this mss master the CIA's media/publishing-house obstacle course?

COMEDIAN, CROONER, PROGNOSTIC, ORACLE

Who ever suspected Jimmy Durante of being a  
Twentieth-Century NOSTRADAMUS ? ?

What revelations can be gleaned from the Sage's famous  
exhortation: STOP the MUSIC ! !

To date our research has only uncovered a minor aberr-  
ation in Cold War II's "summitry" :

Ink adinka do, adinka dink, adinka do !  
Oh what a tune for crooning !  
Ink adinka dink, adinka do, adinka do !  
It's got the whole world swooning.

Then Temple bells up in Iceland,  
they make their own Paradise-land  
Ringing:  
Ink adinka do, adinka dink, a dinka do !  
Simply means  
Ink adinka dink, a dinka Dink !

Sent to Ambassador Tunnerman at the Nicaraguan Embassy in Washington, DC, this was admittedly too idealistic for the pragmatic Sandinistas. We are content to have found a sympathetic wave-length which may help undermine the PWM's Bully-Boy attitude, so abhorrent and embarrassing in this one-world environment.

As the wagons are drawn into a circle at the Eastern Ranch House, the Hasenfus pardon becomes an exquisite anti-Rambo media-event.

Is this the beginning of the end of the era of politics-by-assassination ?

### 3 IN IRAN SMUGGLING RING RECEIVE PRISON SENTENCES

(San Diego, Nov. 24 (UPI) -- A Navy veteran and a divorced couple from Virginia were sentenced to prison today for their roles in a plot to smuggle an estimated \$10 million worth of stolen F-14 parts to Iran.

Judge Leland C Nielson, sitting in Federal District Court here, sentenced Pedro Manasala Quito, 61 years old, to a year and a day in Federal Prison. David and Virginia Wheeler were each given two years in prison.

The three were described by Federal authorities as "Bit-players" in a ring that shipped various F-14 parts to Iran.

Three convicted ringleaders of the San Diego-based conspiracy were to be sentenced later today and Tuesday.

The Wheelers were charged with pilfering a variety of F-14 components from the Naval Air Rework Facility in Norfolk, VA. Mr. Quito, a retired Navy man working as a warehouseman for military, was charged with stealing from a similar facility at North Island Naval Air Station in San Diego.

The defendants were among 10 people indicted last year by a Federal grand jury investigating the ring, which officials said was active from 1981 to 1985.

.....  
The equipment, labeled as medical supplies and automobile parts, was then shipped by Franklin Augustin in San Diego to New York, where his brother Edgardo, forwarded it to Said

in 1985, the new "Bit-player" was able to bypass the pilfering rap by requisitioning material from its rightful owner, the Government of the people, for the people of these United States.

Vive la Difference !!

Asefi Inanlou in England. Mr. Inanlou, who is still at large, is described as the Iranian Government for the ring.

Salut page 2

In preparing your debates, this administration's militaristic, unilateral ignorance is directly traceable to the violent seizure of control of the White House, 22 November 1963.

This helps explain the bullet-over-ballot syndrome in elections since 1960, the fight against the struggle for freedom in Indd-China and the narcissus-imagery of our empire with its bargaining-chip foreign policy.

Our goal is Reagan and Company's early retirement in the disgrace it so richly deserves. In establishing this goal, it is useful to paraphrase William Lloyd Garrison :

If the Administration cannot survive the agitation for responsible, non-violent governance, then let the Administration fall.

Impeachment is too good for the Ignorami.

*Salut* again to the Six who, testing the Iron's temperature, listen to pontificated compromise and have the courage to Act, each from his own direction.

It goes without saying that the lady from Maryland will outpoint the gentlemen from Alabama, Colorado, Georgia, Nevada and South Dakota.
