To Sylvia Meagher;

Having just talked/argued with you on the phone about the incredible and unbelievable outright LIES you told me, and the, (until you personally caused the prevention of it) publishing firm, Prentiss-Hall Press, Simon & Shuster, I am compelled to say the following to you; Firstly, that, according to information told to me by Garrison and the ~~my~~ literary agent for Garrison, ~~██████████~~, both PERSONALLY, that you are a total LIAR in what you told me and the would-be publisher. For an "intelligent" woman, how the hell, in good conscience, comply with the publisher's request to write a critical "analysis" of Garrison's manuscript, when, in point of fact/s, a)- YOU HATE HIM AND HAVE TOLD ME SO ON SEVERAL OCCASSIONS, WHICH I CAN READILY & EASILY PROVE (if shit comes to fart, and b)- you don't ~~you~~ know a f_____ THING ABOUT HIS EVIDENCE????? If you were, in fact, so "lily white and clean" as you pretended to be when we spoke today, you would have, DECLINED to give an "analysis" about Garrison's manuscript by telling the publishers "I am NOT QUALIFIED to assess it since I am UNKNOWLEDGEABLE about Garrison's evidence" and just tell them to consult an expert or at least another researcher who was, at ~~least~~, even least, more knowledgeable about it than you are/were...which means practically ANY OTHER RESEARCHER!!! That would be the way to do things, were it not for your hatred and disbelief of a man who ~~is~~ more aware of the forces behind the JFK assassination than you will EVER be, obviously. That is the burning question which you refused to answer when I ask it of you tonight. But, because of the fact that, as promised, I am now dedicated to exposing your ass to the more than 2,700 of my subscribers to my newsletters across this country!! I am going to publish the ENTIRE story about your absolutely DISGRACEFULL, SUCCESSFUL conduct in this most important matter, i.e. YOU, PERSONALLY BEING RESPONSIBLE FOR THE PREVENTION OF GARRISON'S HISTORIC BOOK FROM BEING PUBLISHED. THAT'S A PROMISE!! I expect that you will be getting a lot of letters protesting undescribably DISGRACEFUL conduct on your part by, in point of fact, lending a hand to the CIA to completely suppress the TRUTH about their DIRECT INVOLVEMENT in the murder of JFK from being revealed to the citizens of this country and the world!! And, besides your telling me tonight that your conscience was clean about what you did, you accused me of being obscene in my call to you 2 days before tonight's. It is true that I was enraged to the enth degree when Garrison told me about what you did, and cursed you out for doing it. That's true. But the REAL obscenity is YOU, SYLVIA, for your incredible and unbelievable conduct and actions in this matter!! As I told you, tonight, that I had learned, months ago, that a potential publisher would consult one of three "critics" to appraise Jim's manuscript, and I told you tonight who they were... Anthony Summers, who is CIA as sure as I am breathing air, and Peter Dale Scott, who continuously mouths the CIA line of disinformation, i.e., that organized crime killed JFK. And the 3rd, of course, being you!! Isn't it truly great company you're in, sweet, innocent, conniving, untruthful despicable Sylvia, very "good" company indeed, aren't you, you deicetful bastard!!!

But, despite your successful efforts to, at least for now, preventing Garrison's truthful book from being published, I will conclude by saying that I happen to be a firm believer in what Martin Luther King, Jr., used to oftentimes say, i.e. that "THE TRUTH, THOUGH CRUSHED TO EARTH WILL RISE AGAIN" !! So, because you and your fascistic ilk have been temporarily successful in the crushing of Garrison's TRUTH to earth, the truth will eventually out!!

Contemptuously yours,

Ted Gandolfo.
