

4/10/87 Friday 3pm

Kathy Keirnan of Pestica Hall  
called to ask me to  
work on another ms. by  
Jim Marris, for a Mr. Jaffe of P.H.

Two objectives: ① accuracy?

② Does it have new material  
not already in the literature?

If the work goes beyond  
8 deep @ \$100, let her know.
