Dear Sylvia,

At long last, here are some clippings on the Kennedy/
Assassination photo.

I know you are not terribly anxious to see them. Never-
theless, I thought it might be of some interest.

I have labeled the groups so you can go through them
quickly and dispose of them as you wish.

Forgive my insistence on this, but it is one small way by
which I can thank you for all your help.

Hope you are well. Will call you soon.

Best wishes.

Sincerely,

Martin Petroff
