Mr. Anderson said that the memorandum had incorrectly stated that Chief Justice Warren was told flatly that Mr. Castro had ordered Mr. Kennedy's assassination in retaliation for attempts against him.

The Las Vegas Sun said today in a copywrighted article by its publisher. Hank Greenspun, that Mr. Castro had instigated the assassination of President Kennedy and "very probably" that of Senator Robert F. Kennedy in retaliation for five attempts against Mr. Castro.

The Sun said that information for its article had come from a confidential source and was documented by a secret report in the hands of the Senate committee. Whether the report Mr. Greenspun cited and the memorandum described by Mr. Anderson are the same could not be established.
