In this, Mr. Hoover said that an agent, Charles W. Flynn of the Dallas office, spoke to Mr. Ruby "on March 11, 1959, in view of his position as a night club operator who might have knowledge of the criminal element in Dallas.'

The Hoover letter said that Mr. Ruby "expressed a willingness to furnish information, and that he was "contacted on eight other occasions? up to Oct. 2, 1959, but "furmshed no information whatever, and further contacts with him were discontinued." Mr. Lane said that the Warren report made no mention of Federal police associations by Mr. Ruby.
