Panel Says It Has New Evidence On Why Oswald Shot Kennedy

WASHINGTON, May 13 (UPI) new evidence had been found. -The Senate Select Committee on Intelligence Activities said a question of the Warren Comtoday that it had new evidence mission's finding that Oswald as to why Lee Harvey Oswald alone shot and killed President shot President Kennedy and rec-Kennedy, "but why he did it" ommended that the investiga- and the effectiveness of inteltion into the role of the nation's intelligence agencies in the assassination be continued.

over evidence it has uncovered available was not supplied to

committee. Senator Church, Democrat of Idaho, Cuba. said after a closed session that a subcommittee that investigat-material gathered would be ed the circumstances of the turned over to a proposed over-Kennedy assassination would sight committee, whose powers draft a report on the evidence are being debated before the The full committee would then Senate, with the recommendadecide whether to make the re-tion that the investigation be port public.

Back From West Coast

The Senator returned here early today after campaigning that question "is for the new on the West Coast for the Decommittee to decide." He addon the West Coast for the Democratic Presidential nomination. After briefly announcing disclosing the report, and the results of the committee vote, he turned a news briefing over to Senator Richard S. Schweiker, Republican of Pennsylvania,

They all declined to say what

Senator Hart said it was not ligence agencies in their actions before and after the shooting.

Mr. Schweiker and Mr. Hart The committee voted to turn said evidence that later became to a proposed permanent panel the Warren Commission, such for further examination. The chairman of the select ligence Agency plots to kill Frank Prime Minister Fidel Castro of

> Mr. Church said all continued.

Asked if the Warren Commission's conclusions right, Senator Schweiker said full committee must first read that.'

A committee source said that and Senator Gary W. Hart, not all of its members believed that the "new leads" were significant consults. nificant enough to justify yet another inquiry into the Kennedy assassination.

> subcommittee viewed at least 36 witnesses, most of whom were members of the C.I.A., Federal Bureau of Investigation, Secret Service other agencies, Schweiker said.

Previous testimony emerging from the full committee disclosed that the F.B.I. and the C.I.A. had pertinent information on Oswald before the Kennedy assassination, and yet Oswald's name was not on a Secret Service list of persons to be watched.
