Oswald's Mom Blasts Report

FORT WORTH (UPI) — The
W. J. Brennan Report, which named
Lee Harvey Oswald President
Kennedy's assassin, will one
day be discarded as false and
undocumented, Oswald's mother
predicted Friday.

Mrs. Marguerite Oswald sent
out pamphlets from her home
that said the report "is often
wrong, is full of unchallenged
contradictions in witnessed tes-
timony, and is based on a
closed-mind approach.

"There is no doubt in my
mind," she said, "that it will
be thrown out."

The report was the result of
a comprehensive study of the
evidence in the Nov. 22, 1963
slaying of President Kennedy.
