Oswald's Mom Blasts Report. ORT WORTH (UPP) - The Very en Report, which named Lee rarvey Oswald President Kennedy's assassin, will one v day be discarded as false and undocumented, Oswald's mother predicted Friday. Mrs. Marguerite Oswald sent out pamphlets from her home that said the report "is often i wrong, is full of unchallenged contradictions in witnessed testimony, and is based on a closed-mind approach. "There is no doubt in my for mind," she said, "that it will be thrown out." The report was the result of a comprehensive study of the evidence in the Nov. 22, 1963 slaying of President Kennedy.
