THE WARREN REPORT

The Warren Report is often wrong, full of unchallenged contradictions in witness testimony, and based on a closed-minded approach.

For these reasons there is no doubt in my mind that the judgment as brought in by the seven commission members—"lone assassin"—will be overruled.

To believe otherwise would be to disbelieve in America, reason and justice.

Also, I would like to state, that in my opinion it was un-American of the seven Commission members not to include the words "alleged" or "accused."

You will note that my son, Lee Harvey Oswald never received his Constitutional right of a trial by jury.
