Dear Sylvia:

Following up on your various notes to me, I hope by now you have received my latest statement regarding the X-rays and photographs.

I called Robert Allen who has an office in the National Press Building. He said this was Paul Scott's item, so I called Paul Scott, who has a desk in the Senate Press Gallery. Paul Scott tells me there are several other indices, one of which was published by the Government, and that in a future article he will go into it.

I have given Paul your address so that he can send you a copy of the article when written.

He would very much like to see your index, and I thought you might like to send him one. Write to him at the Senate Press Gallery, The Capitol, Washington, D. C.

I hope all goes well with you. I had dinner with your friend Richard Sprague last week.

With best regards.

Sincerely yours,

Theodore R. Kupferman, M.C.
