Book Review (p.3) by Johnson

① Most frequent go to critics. how get interested? Reaction, how did you fail get interested?

② Reason, the incredible performance of DPs & other D authorities in heralding LHO guilt - lack of legal repres - adminty in murder of LHO in arms of DPs by DP Buff Truby

③ Universal flaying by editorialists of DPs - revelation LHO - FBI - of ineptitude in rules violation (The Celler) & lack names dangerous persons in Dallas 1 mo after Cellar - calmer in apt WC 4/29/63 - Rpt 9/27/64 - H+E 11/25/64

④ WR greeted rapturously in some newspaper columns that had expressed utmost contempt disgust for DPs - Highly unjust, because WC finding after 10 mo. essentially same as DP findings after 2 days

⑤ One of the few innovations was single - missile - hypothesis - Contrived explain puzzling lack of bullets corresponding to shots & wounds as well as time-span separating wounding of JFK & Gov C, too short for 2 shots from Carcano - but in fact two for single shot 2 men - WC "deliberate reaction" despite negative opinion Gov C des & autopsy arguments. Robert O'Neil = FBI rpts 12/9/63 & 1/13/64 suppressed - holes in clothes - face sheet "designer error"

⑥ Stated bullet CE 399 materially intact undamaged - pristine - no blood tissue fabric pattern or fibers - by various mono-graphic persuasive logical attack, conclusion 399 planted. ⑦ Does this suggest WC illintentioned incompetent deliberately or subconsciously determined "find" LHO lone assassin - restoring tranquility public & respectably DP & federal agencies? Y/N or accept WC "error" not delib deceit. What are facts about how WC worked?

⑧ DP perjury: Fruts - Sgt Hill vs Brown & Decker  
Jiffini vs Dean & Wm Newman  
intimidation (WW hit defined Bogard Morim & Robt Donald & Delgado) ⑨ Seymour Waterman on rifle ID

⑩ howlady & doorway photo = LHO dirt red-brown in Robt Heffer color film ⑪ HHO photo = rifle, nose shadows

⑫ HHO 1-16 secs. margin on loaded tests, took away his coke & deanted him clear alibi. Tippit Walker July

Fast unpredictable died "innocent" & letter given June
