Catalog #5  
10/1/86

Political Assassinations, Conspiracy, & the Kennedys

In looking back over the past few catalogs, it seems that we are always saying that the latest catalog is bigger, better--but another Great buying season has filled this catalog. In addition to more items, we have added books on Secret Organizations, Controversial Deaths, and Foreign Assassinations/Political Murders. In general, these touch on assassination or are people related to the Kennedys (like Marilyn Monroe), and are books that catalog customers have asked for in the past. Also, we have expanded our mailing list--if this is your first catalog, welcome! Finally--we have numbered the pages and provided a table of contents for our various sections. This should help in phone orders and for just finding the books that you are looking for. Be sure to check Researcher's Row and Paperbacks for good books in all subjects in the catalog at bargain prices.

As always, if you are searching for a book that is not in this catalog, PLEASE drop us a line with your wants. Many books bought in the past five months are not listed, because they were sold to people who provided want lists. Also, if you are looking for books in other areas, especially 20th century American politics, let us know. We have a general bookshop with over 15,000 titles, and will be happy to look for your wants.

GLOSSARY: We use a few standard abbreviations in our catalog.

dj-dust jacket, SC-softcover or paperback, usually an original printing, FP- front endpaper, the inside front of a book, FO- former owner's name, insc- former owner's inscription, rem mark or rem spray- these are standard marks denoting that a book was a publisher's overstock and was sold to a remainder house. These marks or spray do not affect the readability or condition of the book as a whole. BC- Book Club ed., x-lib, former library book-- in this catalog, these books are NOT heavily used, falling-apart copies, but have generally seen some limited library use. VF or Mint-very fine, as new. F or fine- none to very little wear, VG- Very good, some shelf wear or soiling. These books are tight in the spine and have no structural defects. G or Good - a well-loved book, with substantial wear.

How To Order: Simply mail your check with your order, or call (717) 327-9338 to reserve your order. If mailing your order, please send SASE for check return, if book is sold. If you call to reserve, we will hold the books 7 days pending check receipt. All books are subject to prior sale. Book may be returned within 2 weeks of receipt.

Postage: In U.S., please add \$1.00 for the first book shipped, 50¢ for each additional book. On orders over \$30.00, we pay the postage. Foreign country customers will be billed for postage and insurance. Please specify with your order how you want the items to be shipped. Payment should be by check or money order in U.S. dollars.
