

Lowenstein: Acts of Courage and Belief

Edited by Gregory Stone and Douglas Lowenstein

A portrayal — in words by him and about him — of Allard K. Lowenstein, the charismatic, idealistic, and controversial American political leader who was assassinated in 1980.

"Al Lowenstein's unswerving devotion to his fellow man will ensure him an impregnable niche in the annals of contemporary American history," said Martin Luther King, Jr. This book is Al Lowenstein's story, recording in his own words the courageous idealism that galvanized men and women from all walks of life to fight for change within the American system. It also gives perspectives on Lowenstein from those who knew him, sometimes debated with him, but always respected him, including David Halberstam, Calvin Trillin, Jack Anderson, Flora Lewis, and William F. Buckley, Jr. Also included is a retrospective section of seven pieces detailing the reaction to his untimely death.

GREGORY STONE, who was Allard K. Lowenstein's research assistant for eight years, now lives in Madison, Wisconsin. **DOUGLAS LOWENSTEIN**, nephew of the late Al Lowenstein, is currently Special Assistant to Sen. Howard Metzenbaum of Ohio.
