

Dear Miss Davis,

Could you please pass this note on to Sylvia, whose address I don't have,

WBAI is apparently devoting its
Thus March 4 "talkback" program (from 11 p.m.
to 1 a.m.) to the Warren Report. Perhaps
you'd be interested in being on it. I don't
know what arrangements the station has made,
however. Perhaps anonymity is possible.

Sincerely,

David Mermelstein

I'm the male half of the couple that joined
you the other week after the New School course. I
can't make the course tonight so I thought I'd
write you.
