Dear Mr. Rennar,

Your letter has been forwarded to me by my publishers. With regard to the Subject Index to the Warren Report and the Hearings and Exhibits, I am sorry to inform you that it has been out of print for a year. So far as I know, the Index is not available from any source except libraries.

As to your second request, I will be glad to consider it after clarification. I am not familiar with the C.C.I., but assume it is a citizen's committee of inquiry of the same nature as other committees in New York and in California. Perhaps you would be good enough to send me a few back numbers of the Newsletter, and some information about the committee. This will enable me to decide on your suggestion that I write something for the Newsletter with regard to my position on the Garrison "investigation."

Yours sincerely,
