

Date 12/6/631

Lt. CARL DAY of the Crime Laboratory of the Dallas Police Department advised that the negatives furnished to this office by Chief CERRY on December 3, 1963, were taken by him of the crime scene where President JOHN F. KENNEDY was shot. He stated that the negative reflecting gun at original position where found on northwest portion of 6th floor, 411 Elm Street, Dallas, Texas, was an original negative. He stated that the rest of the negatives were copies of the original negatives.
