B. Shotgun in Russia

DL 100-10461

WRB:mvs

Found among the effects of Lee Harvey Oswald at Dallas, Texas, was a Russian hunting identification booklet. The data found in this booklet reflected OSWALD was a member of the Byelorussian Society of Hunters and Fishermen, Collective No. 3, and had registered a weapon, caliber 16 N 64621, manufactured by IZHIB9. The data indicated the weapon had a single barrel.
