Dear Mrs. Meagher,

Thanks for your note of May 8. I received it between returning home from school and leaving for a lengthy stay at Harold Weisberg's, which I just completed.

Right now, my plans are to be in New York during the week of June 21 to 25. I hope there is some time in that week that we could arrange to meet. If you could send me your phone number, I'd gladly give you a call when I get into New York and we could make arrangements. I'll be staying with my aunt in Bayside, although I should be in the city frequently for I have planned trips to AP, UPI, Black Star and other places which have assassination pictures. I intend no real serious research in this connection, but there are several things I'd like to see.

I have my fingers crossed that the ms. will be ready for you by that time. It's being proofread now, and by next week, I may have enough Xerox copies to get the copyright and for you to read. Otherwise, I'll have to mail it to you. While at Harold's, he received a letter from you in which you said you'd be going on vacation June 30. Harold said you planned no work during your vacation since you really needed to get away from things. If you'd prefer not to read the ms. during that time, please don't feel obligated. My concern is that you go over it when it's best for you.

Hope to see you soon.

Best wishes,
