Dear Sylvia -

Thanks so much for the copies of your recent exchange with Belin. The nerve of that man writing you such a letter! Your reply was excellent.

My phone number at school is (area code 215) 349-9263. The phone is not in my room, but there should be no trouble reaching me when I'm in.

I've enclosed some address labels, in case you would find it more convenient to use in addressing letters to me.

Best wishes,

Howard
