Sylvia, This is just about the way your article will look when The Third Decade goes "to press" next week. If you see any other needed corrections, please call me on Monday night (716-672-8350) since I hope to send everything to the printers on Tuesday; then ready to mail out by the end of next week.

I deleted the reference to the New Orleans DA as you suggested. I'm returning your manuscript as you requested.

Thanks again for the information on potential subscribers. I've gotten subscriptions from John Davis and ~~Frank~~ Tom Johnson so far.

Best regards,

Jerry D. Rose
