Ruly also complained <sup>his</sup> cancer was  
induced secretly in jail (via Sgt  
Elmer Gertz). Details came from

Earl Ruly & Elmer Gertz &  
other members of family.

"Ruly when experienced difficulty  
breathing Dec <sup>early</sup> hospital thought pneumonia,  
He took this as proof  
mustard gas seeped in cell.  
When cancer

diagnosed  
certain had been  
injected."
