Employed at Allright Auto Parks Inc as general manager  
Knew Ruby 4 years  
Ruby came in about 3 pm Saturday, wanted to use telephone,  
called Ken Dowe of KBOX radio

HALLMARK He was--he told this person who he had established as being Ken, that he had been to the city hall and was following this thing, and he had information to the effect that the transfer was to take place that afternoon. I got the impression that he had some information and possibly wanted corroboration. In other words, he was not just 100 percent sure, but he had--he thought he knew that the thing was to take place then, but was not 100 percent sure. Then, he remarked...that possibly because of the congestion they would not transfer Oswald that afternoon...

Hubert Was it your impression that his efforts to corroborate the time of the transfer were successful or not? I mean, did you get the impression that this man he was talking to confirmed Ruby's apparent thought that the move would be made that Saturday afternoon?

Hallmark I really don't think he did. I believe that as the conversation progressed and turned out, that Ruby had more information or perhaps, and I don't know what the other guy knew, but perhaps he just wasn't putting anything out.

Hubert In any case, you got the impression that Ruby, who was seeking information, was not in fact getting any but giving some?

Hallmark That's true...He seemed pleased with himself; yes.

Hubert Now, you make the statement here that one of the remarks he made was "You know I'll be there." Do you recall in what context that was, I mean, what had immediately preceded that, so that we might be able to gain some light as to where he said he would be?

Hallmark He planned to be on the scene of the transfer. (15H 491)
