

Isadore Bleckman (UPI photographer) stated that at Parkland Hospital on Sunday 11/24/63, an individual described as in his early thirties, 5'8" tall, 180-200 pounds, sturdy build, blond hair who was either a director of a TV station in Dallas or in charge of a TV crew from a Dallas TV station told him in the presence of Henry A Kokojan...that an upper window of a building on either Main or Commerce Streets overlooking the police department ramp was open Friday after the President's assassination, all day Saturday and Sunday but that shortly after Oswald's murder the window was shut. Bleckman stated that he could recall being told nothing additional by this individual, but that the above caused speculation among themselves as to whether Ruby had an accomplice or whether others besides Ruby were interested in doing away with Oswald.
