Miss Sylvia Meagher  
302 West 12th Street  
New York, New York

Dear Miss Meagher:

Enclosed please find the reason why my coming was unannounced. My apologies for the stupidity.

My warm thanks are extended for a most informative evening. It was easy for me to see in your thinking what if anything is right with my thinking processes. I certainly felt intellectually compatible with your specific ideas on the case and more generally with regard to politics.

I have urged David Lifton to pay you a visit when he goes to New York. In short order, I will mention you to Shirley Martin. You will find mutual benefit in contact between you.

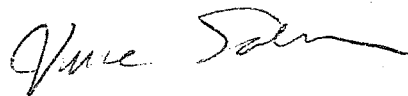

Let us keep in touch. I am eager to share any work I may do with you for your advice, corrections, addenda and/or collaboration. Let me know about the progression on you index, please.

David Lifton thinks that he has spotted Ruth Paine in Willis slide #9 (on the right, talking to a plainclothesman and a police officier) and Ruby on the extreme right of Willis slide #8. You can only see them, he states, if you have the slides to project and can't see them in the Commission Exhibits. I haven't projected my slides yet, so cannot venture an opinion on the worth of the findings.

Should you want to write to David Lifton, his adress is 11756  $\frac{1}{2}$  Dorothy Street, La. 49, California.

Thank you again for your kindness.

Sincerely,

VINCENT J. SALANDRIA

Miss Madgers  
302 West 12th Street  
New York, New York

Dear Miss Madgers:

Would it be possible for you to see me, Wednesday evening, at about 7 P.M. till about 11 P.M.? If this is convenient for you, I will call on you about 7. Should this not suit you, would August 5 at the same hours do? In the event that it is possible for you to see me on August 4 at the suggested time, then please do not acknowledge this letter. I will be there. Should you wish to arrange for some other time, kindly call me collect, and we will work something out.

Thank you for calling me.

Sincerely,

  
Vince Salandria
