Dear Vince,

Regarding the Bogard/Oran Brown/Pizzo affair, please see CE 3080 in 26E, from which it appears that Jack A Lawrence was the person who called the FBI but was also the person who left the agency before the shooting and returned in a sick and highly nervous state; and that he was let go by the head of the agency as soon as it was known that he had called the FBI. A very puzzling affair!

Warm regards,

Hastily,

4/3/69 Tom Bethell
in his unfinished ms.
has chapter on Lawrence
and concludes "not
involved in any way."
