

14 November 1966

Dear Mr. Sauvage,

I am sorry to bother you, but if the witnesses insist on dying, I will have to make alterations to the manuscript.

Can you please delete everything which follows the first paragraph on page 360, destroy existing page 361, and insert the enclosed pages? Many thanks.

Sincerely yours,

P.S. When you have time, please send the Louis Nizer tape.
